

BLITZ COMPETITION

Objective

IPS Blitz is a rapid-fire presentation competition for psychiatrists and postgraduate trainees to share novel insights, clinical innovations, or controversial topics in psychiatry through concise, high-impact communication.

Eligibility

- Open to practising **psychiatrists, academic faculty, and MD/DNB Psychiatry** trainees from recognised institutions.
- **IPS membership** is mandatory.

Presentation Format

TIME LIMIT

Presentation: 5 minutes
Judge Q&A: 1 minute
(strictly enforced with a countdown timer)

SLIDES ALLOWED

Maximum of
2 slides

Eligible Topics

Submissions must focus on psychiatry, mental health, or related neurosciences.

Suggested topics include:

- ✓ Innovative clinical management or diagnostic dilemmas
- ✓ Novel therapeutics, psychedelics, precision psychiatry, or biomarkers
- ✓ Digital psychiatry, AI applications, and neuromodulation
- ✓ Community Psychiatry
- ✓ Youth Mental Health
- ✓ Occupational Stress
- ✓ Addiction Psychiatry

Submission Requirements

Submit the following details along with a **150-word abstract**:

- ☑ Full Name
- ☑ Designation & Institution
- ☑ IPS Membership Number
- ☑ Category (PG Trainee / Psychiatrist)
- ☑ Presentation Title

Abstract Structure: Clearly highlight the central idea, its clinical relevance, and what makes it novel or thought-provoking. Shortlisting will be based on these previews.

Selection Process

Up to 15 entries will be shortlisted for the final presentation based on:

- ☑ Novelty and academic relevance
- ☑ Potential clinical impact
- ☑ Clarity and suitability for a 5-minute format

Key Rules

Slide Limits: Strictly maximum 2 slides (Slide 1 must include the Title and Presenter Name).

Slide Design: Primarily visual; avoid heavy text. Videos/animations are allowed if pre-tested for seamless playback.

Originality: Presentations must be original. Previously published research may be used only if framed with a new perspective or clinical insight.

Ethics & Compliance: No product/commercial advertising, patient-identifiable data (must meet strict confidentiality standards), or inappropriate content.

Attendance: Presenters must be physically present when called at the session.

All submissions must be sent to [ANCIPS2027.com](https://ancips2027.com) along with the **ANCIPS registration number**.
